

GILMORE GIRLS COLLEGE

YEAR 7 ACADEMIC SCHOLARSHIPS

APPLICATIONS FOR 2008 – INFORMATION FOR GRADE 6 PARENTS

We aim to maximise each girl's potential by providing a challenging, secure and cooperative learning environment. It is this environment and high expectations which have led to our excellent VCE results.

We want to reward and motivate your daughter by offering a scholarship for Year 7 entry which will be automatically retained for Year 8 if the student maintains an outstanding academic record. The procedures for selection are outlined below:

- The primary measure of the student's ability and potential is a one page confidential report from the student's grade 5 or 6 teacher, endorsed by the student's current principal.
- The teacher will be asked to rate the student's performance in English, Maths, Project Work and Initiative. They will also be asked to provide brief comments on her leadership and sporting/other interests
- Applications will then be assessed by a panel of Gilmore staff and Council representatives.
- Successful applicants will be announced in August and awarded at their Grade 6 graduation.
- All information will be confidential and used solely for the purpose of this scholarship.
